Madison, Illinois 62060

Mr. Tom Bloodworth:

I am writting to thank the EPA for having a job well done on my property at 2030 Cleveland Blvd., Granite City, Illinois.

Crew #4 doing the work, headed by Rob Jenkins, did an outstanding job. Very professional and thorough. His entire crew from start to finish were courtious and concerned about plessing the owner of the property.

Again, thanks.

Respectfully,

*Bill Giedeman*
